## Pediatric Dermatology Symposium

This symposium, to be held at Stanford University on August 9-12, 1978, will focus on recent advances in neonatal dermatoses, genodermatoses, and practical skin therapies. Accredited AMA postgraduate seminar. For information, contact: Paul H. Jacobs, M.D., Department of Dermatology, Stanford University School of Medicine, Stanford, CA 94305. Telephone: 415-497-6101.
